

Thirty Nine Av Melachoth Shabbath Baruch Chait

tzaar baalei hayim and shabbat: a teshuvah for our time - gezerah, or preventative measure, lest one be led to grinding, one of the thirty- nine prohibited melachot, or labors, of shabbat, the mishna berurah allows the administration of medicine to animals on shabbat (mishnah berurah 332:5), an **by shlomo katz - torah** - they are: the 10th of tevet, the 17th of tammuz, and the first nine days of av. he adds: because this interpretation is far from the pshat, i have kept it brief.
